

Minutes of the Meeting of the Screening Committee meeting held on 19th September, 2012 for scrutiny/recommending of new cases under the scheme of grant in aid to Voluntary Organizations working for Scheduled Castes.

The screening committee meeting was held on 19th September, 2012 under the chairmanship of Shri Sanjeev Kumar, Joint Secretary (SCD). The two non-official members of the Committee present were (i) Shri M.B. Deshmukh, Secretary, Servants of India Society and (ii) Dr. Bezwada Wilson, Convenor, Safai Karmachari Andolan.

2. At the outset, the Committee was informed about the budget allocation for 2012-13 under the scheme, notional allocation fixed for the States/UTs within the budgetary outlay, committed liability for funding existing ongoing projects, number of proposals already recommended by the Screening Committee during last years but grants are yet to be released and number of proposals received during 2011-12 & 2012-13. In this connection, the Committee was informed that as per the policy decision in the Ministry's Office Order No.1-31/2006-Cdn., dated 05.09.2008 and 23.02.2009, recommendations of the State GIA Committee for new projects would remain valid for the financial year following the year in which they were received and recommendations of the Screening Committee within the Ministry would also remain valid for one year following the year in which they are recommended. The Committee was also informed that as per the Scheme, recommendations of State/UT Grants-in-Aid Committee along with inspection reports for the current year are required each and every year for releasing of grant to any project proposal under the Scheme.

3. The committee adopted the following parameters for selection of new cases during the year 2012-13:-

- (i) Mandatory Recognition of the schools under the relevant statute.
- (ii) As per this Ministry's O.M. No.62-01/2007-cdn dated 27.09.2007, top priority to be given to the projects of schools. Priority for other projects are to be decided by the Committee.
- (iii) Computer education projects should be recognized by DOEACC/Universities/Accreditation bodies.
- (iv) School projects to be considered only where the SC rural female literacy level of the District is not more than 30% as per 2001 census, alternatively such projects in districts where SC female literacy rate is less than that of State level.
- (v) Not more than 2 similar projects are to be allowed in the same district;
- (vi) As a pre-requisite, Proposals are essentially required to be recommended by the State GIA Committee.
- (vii) The project related to control of Blindness should be considered by the Disability Division in the Ministry or Deptt. of Health, Ministry of Health & Family Welfare.
- (viii) In case of projects namely Ten Bedded/Mobile Dispensary the medical/Para medical staff engaged by the Organization should essentially have the requisite

Professional qualification and furnish attested photocopies thereof, besides NO OBJECTION CERTIFICATE to run it from competent medical authority in the State.

- (ix) Intra state priorities taken into consideration SCs population of the State concerned.
- (x) Availability of fund allocated under the scheme
- (xi) The rejected cases to be returned to the State Govt. concerned.

4. As per general guidelines for assisting Non-Governmental Organizations/Voluntary Organizations, "in order to be eligible for assistance, a voluntary organization should have been registered for a period of at least 2 years and should have been actively working in its sector for a period of 2 years. Such projects will not be taken up for assistance where the activities are proposed to commence after the project is sanctioned and funds released by the Ministry." The NGO should also fulfill other conditions required under the scheme as per checklist prescribed in this regard.

5. The Committee has taken into account the prevailing status of performance in the existing scheme and financial availability for undertaking new projects. While doing so the committee may take note of the fact that the Ministry has already been funding around 600 projects through 400 NGOs spread out in the country.

5. It is evident from the releases for the years 2009-10, 2010-11 and 2011-12 that some States have been receiving substantial shares of the total grant-in-aid released under the Scheme disproportionate their SC population percentage. These States are Andhra Pradesh, Assam, Delhi, Karnataka, Maharashtra, Manipur, Rajasthan & Orissa. In some States namely, Gujarat, Madhya Pradesh, Tripura & Uttaranchal, grant-in-aid share moderately exceed their SC population percentage. Other states namely Bihar, Chhattisgarh, Haryana, Jharkhand, Kerala, Punjab, Tamil Nadu, Uttar Pradesh & West Bengal receive proportionately less grant-in-aid in relation to their SC population percentage.

6. In this meeting, 12 new cases screened and 07 cases those considered in the previous meeting reviewed consequent upon submission of further clarifications/documents by the NGOs, after deliberation at length and decision thereon has been incorporated in the Annexure attached to these minutes.

S. No.	Name of the State	Name of the Organization with complete address	Project applied for	Location of the Project	District	No. of beneficiaries	Recommendation of the Screening Committee	Reason for rejection
1	Madhya Pradesh	Vidya Vijay Edducation & Social Welfare Society, Near Gour Tower, Parkota, Sagar. M.P.	Hostel (Secondary)	Parkota Sagar		100	There is no reflection of the activity of running Hostel for SCs in the Consolidated Audited Accounts of the organization submitted with the proposal. Accounts in four parts of the project for which grant in aid is sought containing Income and Expenditure statement, Receipt and Payment statement, Balance Sheet and Auditors Report are not submitted alongwith the proposal. Annual Reports for the year 2008-09 to 2010-11 are reproduction of the same contents except change of year on the top of the Annual Reports. In the Inspection Report and Application cum Monitoring Form, the date of commencement of the project is 1.4.2009 whereas activity of the Hostel has also been shown in the Annual Report for the year 2008-09. These are contradictory facts. Hence, not eligible. (Refer : minutes of the Screening Committee Meeting dated 5th June 2012,2012 at S.No. 11)	The proposal was considered by the Screening Committee in its meeting held on 5.6.2012. The NGO has now submitted a revised Income & Expenditure Statement, Balance Sheet etc. for the year 2008-09, 2009-10 and 2010-11. The expenditure on running of the hospital is not reflected in the revised accounts for the years 2008-09, 2009-10 and 2010-11 submitted to this Ministry now by the NGO. Hence, not recommended.

2	Maharashtra	Jai Hanuman Baguuddesiya Shikshan Sanstha, Karla, Wardha Tehsil & Distt.	Ten Bedded Hospital	Civil Line, Behind Panchayat Simiti, Wardha	Wardha		Inspection Report of the State Government is the xerox copy. IR of the State Government shows date of commencement of the project as '12.04.2010' whereas as per Application-cum-Monitoring, the same is mentioned as '01.04.2011'. As such there is contradiction in the date of commencement of the project. However, the guidelines for assisting the NGOs under the scheme inter-alia provides that in order to be eligible for assistance, a voluntary organisation should have been actively working in its sector for a period of two years. Hence, not eligible. (Refer : minutes of the Screening Committee Meeting dated 5th June, 2012 at S.No.19)	Maharashtra Govt. vide its letter dt. 19.6.2012 has forwarded a proposal of Jai Hanuman Bahudeshiya Shikshan Sanstha, Wardha for financial assistance to their 10 bedded hospital project. This matter was recommended to the Ministry earlier also by the Maharashtra Govt. and the Screening Committee in its meeting held on 5.6.2012 had considered it. In the present proposal the NGO has changed the date of commencement of project from 1.4.2011 as it was intimated to us in the previous communication as 12.4.2010. The correction made has not been attested by anyone. In the Annual Report for the year 2010-11 there is no reference about the running of a 10-bedded hospital. They are just referring to medical checkup camps organized by them even in the Annual Report for the year 2011-12 forwarded to the Ministry by the State Govt. vide their letter dt. 19.6.2012. There is no reference about running of the 10-bedded hospital. Hence, not recommended.

Nagpur	Nagpur	Not Specified	Memorandum of Association does not mandate the organization to run Mobile Dispensary. Hence, not eligible. (Refer : minutes of the Screening Committee Meeting dated 30.08.2011 at S.No.32). The organisation has submitted revised MOA, which mandates to run Mobile Dispensary as well as Ten Bedded Hospital. This is notarised one and not registered under the State statutes. Therefore, the Committee recommends that the State Government may be requested to examine the same and provide their recommendations. (Refer : minutes of the Screening Committee Meeting dated 10th and 11th January, 2012 at S.No.1-Review)	The State Government vide their letter dated 22.03.2012 and 06.07.2012 has forwarded attested copy of MOA by Deputy Chairty Commissioner. It is in Marathi language and its English version has also been submitted. The committee observed that the English version does not match with the Marathi version; there are 13 para in Marathi version whereas in English version consists of 33 paragraphs regarding the activities of the organization. Therefore, the committee decided that the State Government/NGO may be requested to furnish the exact English version of the original (Marathi) Memorandum of Understanding.

Further, the proposal does not contain the documents of being reconized by DOEACC/University accreditation body. Hence, not eligible.
