

**MINUTES OF THE MEETING OF THE SCREENING COMMITTEE HELD ON 10th March, 2017
TO CONSIDER NEW PROJECT PROPOSALS UNDER THE SCHEME OF INTEGRATED
PROGRAMME FOR OLDER PERSONS (IPOP) FOR THE YEAR 2016-17**

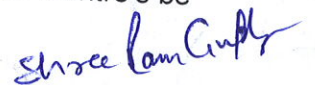

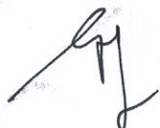

The meeting of the Screening Committee of Social Defence Bureau was held on 10th March, 2017 under the Chairmanship of Joint Secretary (SD) to consider total 169 proposals duly recommended by the State Level Committee received from the States/UTs under the Scheme of Integrated Programme for Older Persons (IPOP).

2. The Members of the Screening Committee, namely, Shri Sriram Gupta and Shri Sandeep Gupta, Director (Finance), Ministry of Social Justice and Empowerment, attended the meeting.

3. At the outset, the Committee Members were briefed about the existing guidelines of the Ministry, norms and guidelines of the Scheme, budgetary allocation under the Scheme and number of new proposals received and placed before the Committee for consideration etc.

4. Smt. Ghazala Meenai, Joint Secretary (Social Defence) and Chairperson of the Committee drew the attention of the Members that as per para 7 (ii) of the Scheme the NGO should be registered either under the Societies Registration Act, 1860 or relevant State Societies Registration Act and has already been working for at least two years. The Committee after detailed deliberations decided that the following parameters may be taken into consideration for recommending an organization to be eligible to receive grant from M/o Social Justice and Empowerment:

- (i) Priority/preference to be given to the proposals received from un-served/under-served States/Districts to ensure equal geographical spread.
- (ii) Annual Audited Accounts of the NGO to be checked to confirm that the NGO has incurred expenditure on running the project.
- (iii) Aims and objectives of the NGO should include activities for senior citizens in the MOA.
- (iv) Depending upon the geographical area and population of a District, normally 3 to 4 programmes under the Scheme should be sanctioned in a District.
- (v) Activities for care of senior citizens requires focused attention. It was therefore, decided that those organizations who are solely concentrating on welfare of senior citizens may be given preference to those who are undertaking multiple social activities.
- (vi) Proposals for Helpline and Counseling Centre and Sensitization Programme's were not to be recommended as this Ministry is planning to launch a national level helpline as well as District level helpline in coordination with the State Governments. Sensitization Programme's are already being dealt with by the National Institute of Social Defence.
- (vii) Similarly, proposals of Day Care Centre's and Mobile Medicare Unit were also not to be recommended as it was decided that the above-said proposals only be given to Medical institutions, Hospitals or recognized nursing homes etc.
- (viii) Priority be given to the projects of Old Age Homes and Multi Facility Care Service for older widows. It was also decided that the project of Multi Service Centre's be only given to Panchayati Raj Institutions, Local bodies etc.

5. Total 169 proposals for the year 2016-17 were received from the following State/UT Governments and were placed before the Committee for consideration. State wise number of proposals placed before the Committee and number of proposals recommended are as follows:
