The organisation receiving grant-in-aid for a project shall make suitable arrangements for the preservation of data collected during the study, such as filled in schedules, tabulation or working sheets, reports, photographs etc, relating to the Project, in electronic form and this shall be shared with the Ministry at the time of submission of Final Report. The ownership of all such data shall remain with the D/o Social Justice & Empowerment. All raw data compiled during the study shall be transferred to the Ministry. No data collected in context of the study may be destroyed or otherwise disposed off or given to any other organization/individual, unless so approved by the Ministry.

18. SUBCONTRACTING

The bidder shall not subcontract or permit anyone other than its personnel to perform any of the work, service or other performance required of the bidder under the contract without the prior written consent of the Department.

19. ARBITRATION

The Department and selected Bidder will make every effort to resolve amicably, by direct negotiation, any disagreement or dispute arising between them under or in connection with the work order. If any dispute will arise between parties on aspects not covered by this agreement, or the construction or operation thereof, or the rights, duties or liabilities under these except as to any matters the decision of which is specially provided for by the special conditions, such dispute will be referred to arbitrator, to be appointed by the competent authority appointed by this Ministry and will be final and binding on both the parties. Such arbitration will be governed in all respect by the provision of the Arbitration and Conciliation Act, 1996 or later and the rules there under and any statutory modification or re-enactment, thereof. The arbitration proceedings will be held in New Delhi only, wherein appropriate Appellate Authority shall also be the Hon'ble High Court of Delhi at New Delhi

20. APPLICABLE LAW AND JURISDICTION OF COURT

The contract with the selected bidder shall be governed in accordance with the Laws of India and will be subject to the exclusive jurisdiction of Courts at Delhi.

21. AGREEMENT

- (i) The selected bidder will confirm in writing that the conditions contained in the tender document are acceptable to it as per Tender Acceptance Letter format in Annexure- 9. The selected bidder will also execute a bond in favour of the President of India to the effect that it will abide by the terms and conditions attached to the grant and that in case it fails to abide by the same, it will refund to the Government the total funds sanctioned to it for the purpose with penal interest of 15% per annum thereon.
- (ii) The grantee organisation will maintain separate accounts in respect of this grant. The accounts will remain open to inspection to the representatives of the Government of India, including the Comptroller and Auditor General of India. At the end of the period, the Organisation will have the accounts of this grant audited by a Government Auditor or a Chartered Accountant, and supply a copy of the audited accounts, together with a utilization certificate as prescribed in GFR 2017, to this Ministry within six months after completion of the project. If regular process of audit takes more time, the accounts may be got audited by a Chartered Accountant and the audit fee may be charged under sub-head "Contingency" of the project. Any unspent balance out of this grant will be refunded by the Organization within 30 days from the date of completion of the Project failing which such unspent balance will attract penal interest of 15% per annum of the period from date of completion of the project to the date of refund of unspent balance.

- (iii) The Ministry will accept no responsibility for any financial expenditure or liability arising out of the project except what has been specifically approved by it and conveyed to the selected bidder through the sanction letter.
- (iv) The Ministry will sanction finances for each sub-head and the Ministry's Sanction order will clearly satisfy the sanctioned amount for each sub-head for the total financial assistance given for a research project. The evaluation organisation without the prior written approval of the Ministry will have no right of re-appropriation of amount from one sub-head to another.
- (v) The evaluation organisation shall not incur any excess expenditure on the research project, under any circumstances, over and above the sanctioned amount, without prior written approval of the Ministry. Ordinarily such request will not be entertained by the Ministry.
- (vi) The Project Director will submit to the Ministry progress reports of the project along with certified statement of the expenditure actually incurred and estimate of expenditure for the remaining period of the study. The organisation would make a presentation before the Ministry at draft stage on its preliminary findings.
- (vii) The Project Director will report to the Ministry changes he makes in the research design, and no major change will be made therein unless the prior approval of the Ministry has been obtained. On a request from the Evaluating organisation, the Ministry may in exceptional cases, permit the appointment of another Project Director. When the Director of a project takes up an appointment at another organisation before the project is completed the Ministry may permit, with the consent of both the organisations concerned the transfer of the project to the other organisation.
- (viii) If the Ministry is not satisfied with the progress of the project, or if it finds that these rules are being seriously violated, it reserves the right to terminate agreement & initiate necessary action as per terms & conditions of the tender document and extant rule of Govt. of India.

22. DEFAULT

- i. The selected bidder shall execute a bond in favour of the President of India to the effect that it would abide by the terms and conditions attached to the study and that in case it fails to abide by the same, it will refund to the Government the total funds sanctioned to it for the purpose with penal interest of 15% per annum thereon.
- ii. In case the selected bidder is found in-breach of any condition of tender/bid evaluation the EMD/ Performance Security shall be forfeited / invoked.

GUIDELINES FOR THE FORMULATION OF TECHNICAL & FINANCIAL BIDS

A. TECHNICAL BIDS

Project Directors are requested to furnish a detailed research proposal covering (a) statement of the problem (b) hypotheses to be tested, if any, (c) definition of the key concepts, (d) research design including the universe of study, sampling frame, and sampling procedure, (e) tools to be used in data collection, (f) time schedule, (g) staffing pattern, and (h) estimate of costs.

A research proposal is a sort of a blue-print. Apart from helping the Ministry to process it quickly, a well-conceived research proposal will add to the efficiency in its implementation. Every effort made to formulate a proper research proposal will, therefore, pay rich dividends.

To facilitate the task of the Project Director, in formulating a research proposal, a few detailed guidelines are given below:

I. The title of the Project (in capital letters)

II. Statement of the problem

In the opening paragraphs of the research proposal, the problem to be investigated should be presented clearly and briefly. The key originating question(s) and the location of the problem in the theoretical context of the concerned discipline should be specified. Specific mention should be made of the rationale of the approach adopted to study the problem and the specific aims of this project.

While indicating the significance of the problem, the contribution which the proposed study is expected to make to the theory and methodology as well as its practical impact and national relevance should be specifically indicated.

III. A brief overview of work already done in the area of the Proposal.

A note summarizing the current status of research in the area including major findings and highlighting research gaps, should be included in the project proposal.

IV. Objectives of the project as understood by the bidder

V. Research questions of hypotheses

Enumerate the specific research questions and/or hypotheses that you wish to investigate in this study.

VI. Methodology

In the light of the questions raised or the hypothesis proposed to be tested, full information on the following points should be given:

1. Universe of study
2. Sampling frame
3. Sampling procedure
4. Units of observation and sample-size.

An explanation of the determination of size and type of sample will also be necessary. Proposals not requiring a sample selection should specify their strategy appropriately and describe the rationale.

The different types of data that are proposed to be gathered should be specifically mentioned.

The sources for each type of data and the tools and techniques that will be used for collecting different types of data should be specified.

For questionnaire or schedule to be used, the following should be indicated:

1. Distribution of the questionnaire or schedule in different sections, e.g., identification particular, socio-economic data, questions on various sub-themes, etc.
2. Approximate number of questions to be asked from each respondent
3. Any scaling techniques proposed to be included in the instrument.
4. Any projective tests incorporated in the questionnaire/schedule.
5. Approximate time needed for interview.
6. Any plans for index-construction.
7. Coding plan (whether the questions and responses will be pre-coded or not; whether the coding is done for computer or for hand tabulation).

For the interviews, the following details should be given:

1. How are they to be conducted?
2. Particular characteristics that interviews must have:

For the use of observation techniques, describe:

1. The type of observation; participant, quasi-participant, non-participant.
2. Units of observation;
3. Whether this will be the only technique or other techniques will also be employed.

VII. Data processing

The manner in which the different types of data will be processed, the tabulation plan, and the type of data that will be processed through the computer, should be explained in details.

VIII. Time budgeting

The project should be broken up in suitable stages and the time required for completion of each stage of work should be specified, for instance, such stages may cover:

1. Preparatory work, including selection and appointment of staff and their training.
2. Drawing of sample.
3. Tool construction (including their pre-testing and printing)
4. Data collection
5. Data processing (which should include coding, editing, punching, verification, sorting, computer analysis)
6. Data analysis.
7. Report writing.

IX. Organizational Framework

An organizational chart indicating the positions tasks and number of persons required to fill the different positions should be given.

The following issues need to be borne in mind:

The approach and methodology to be adopted by the organization for proposed study is appropriate.

- The Project team has necessary skills in statistical tools of analysis and sampling methodologies.
- Details of statistical tools and applications to be used are indicated in the proposal
- The primary data to be collected on the objectively verifiable indicators and factual information
- Organisation will use experts /manpower in all regional language /local language as and when required.
- Organisation has demonstrated capacity to carry out structured evaluations
- Organisation has capacity to collect and analyze data from variety of sources at disaggregated level.
- Organisation has capacity to prepare a feasible and comprehensive study design for evaluation, with data collection tools and analytical framework.
- Organisation has capacity to structure data, create electronic databases, and develop output results in appropriate formats.
- Organisation has willingness to undertake the assignment in the given timeframe.
- Organisation has sufficient infrastructure facilities including office and modern office equipment.
- Organisation has ability to develop and prepare all the data collection instruments including questionnaires, checklist for stakeholders, structured Focus Group Discussion format, tabulation plans etc.
- Organisation has ability to undertake survey work in all sample districts.
- Organisation has ability to cross/back check of primary data.

- Data collection is application based and not manual
- Enumerators are appropriately trained
- **Adequate photographs may be taken during the Interaction/Interview/Survey/primary data collection process**

The parameters of Technical Criterion for being technically qualified may be kept in mind

B. FINANCIAL BID

The following explanations are given in respect of the above items to serve as guidelines in the preparation of financial estimates of the research projects.

Items covered under the grants: The following items are covered under the grants:

- i. Salaries and allowances of the project staff (research and action component), and honorarium for the Project Director. (N.B.: The salary of peons will not be sanctioned as a part of expenditure on a research project. Any expenditure on this account may, however, be met out of the overhead charges mentioned under item (vii) below).
- ii. Travel undertaken in relation to the project.
- iii. Consultancy charges.
- iv. Printing.
- v. Equipment and books.
- vi. Computer and tabulation costs.
- vii. Contingency and Overhead charges.

The following may be noted:

- a) Payment with retrospective effect for the work already done before the submission of the research proposal will not be permissible
- b) The Project Director shall not be entitled to any salary or allowances (other than TA / DA) from the project funds. He may, however, be paid an honorarium provided the project is completed within the sanctioned/approved time limit and submission of a satisfactory report. The honorarium will be limited to 5% of the total approved cost of the project. Honorarium as originally sanctioned will be paid after the acceptance of the report and the accounts.
- c) The remuneration, mode of recruitment and conditions of services of the staff employed in the project, shall be the same as those of the organisation to which the research project is sanctioned.
- d) The staff appointed for the research project should be professionally qualified and conform to the standards laid down by the organisation for similar positions and such model qualifications as the Ministry may lay down.
- e) The organisation will inform the Ministry within 15 days from the date of commencement of the study, of all appointments made for the project the expenditure on which is to be met from the grant of the Ministry.
- f) All persons appointed to work on the project and paid from the project funds will be the employees of the organisation concerned.
- g) All employees appointed under the project will be full time and used exclusively for the project work. If any part-time employees are intended, this should be indicated in the research proposal submitted for sanction.
- h) The rates of TA/DA for the purpose of the project shall be fixed by organisation.
- i) The project Director will specify in the research proposal the type and cost of consultancy that will be needed. He will also indicate in the research proposal, if

honorarium or fees is to be paid to a specialist for contributing a paper for the project. No employee of the Research Project will be eligible for a consultancy fee for any work done for the project.

- j) Estimated cost of printing of forms etc. will be furnished.
- k) Normally, the equipment required for the project is expected to be provided by the organisation. However, in exceptional cases where full Justification is given, purchase/hire of equipment can be done. No foreign exchange should be involved. The grantee organisation shall refund in full if the scheme is abandoned by it during the period of sanction or if the scheme had not stated after the purchase of the stores.
- l) Estimated cost of books and journals required for project work will be indicated.
- m) The stores purchased out of the grant given by the Ministry shall be entered in stock registers and presented to the auditors for checking.
- n) The Project Director shall give a rough estimate of expenditure on different items of tabulation exercise such as data entry, verifying, programming, computer work, etc.
- o) Contingency means the expenditure incurred on postage, stationery, telephone charges and other unforeseen items of expenditure and overhead charges includes expenditure incurred by the organisation on general services, including accommodation, furniture and managerial services. Not exceeding 5% of the total expenditure by the organisation will be permissible as contingency and overhead charges.
- p) The grantee organisation will confirm in writing that the conditions contained in the tender document are acceptable to it. It will also execute a bond in favour of the President of India to the effect that it will abide by the terms and conditions attached to the grant and that in case it fails to abide by the same, it will refund to the Government the total grant-in-aid sanctioned to it for the purpose with 15% per annum penal interest thereon.
- q) The grantee organisation will maintain separate accounts in respect of this grant. The accounts will remain open to inspection to the representatives of the Government of India, including the Comptroller and Auditor General of India. At the end of the period, the organisation will have the accounts of this grant audited by a Government Auditor or a Chartered Accountant, and supply a copy of the audited accounts, together with a utilization certificate as prescribed in GFR 2017, to this Ministry within six months after completion of the project. If regular process of audit takes more time, the accounts may be got audited by a Chartered Accountant and the audit fee may be charged under sub-head "Contingency" of the project. Any unspent balance out of this grant will be refunded by the Organization within 30 days from the date of completion of the Project failing which such unspent balance will attract penal interest of 15% of the period from date of completion of the project to the date of refund of unspent balance.
- r) The Ministry will accept no responsibility for any financial expenditure or liability arising out of the project except what has been specifically approved by it and conveyed to the organisation or university through the sanction letter.

Instructions for Online Bid Submission

The bidders are required to attach soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

REGISTRATION

- 1) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link “**Online bidder Enrollment**” on the CPP Portal which is free of charge.
- 2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.), with their profile.
- 5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC’s to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

- 1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective ‘My Tenders’ folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
- 3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Any deviations from these may lead to rejection of the bid.
- 3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use “My Space” or “Other Important Documents” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again.

SUBMISSION OF BIDS

- 1) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3) Bidder has to select the payment option as “offline” to pay EMD as applicable and enter details of the instrument.
- 4) Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be deposited in original in person to the concerned official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.
- 5) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable.
- 6) The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 7) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers public

keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.

- 7) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 8) Upon the successful and timely submission of bids (i.e., after Clicking “Freeze Bid Submission” in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- 9) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.
