**Tamil Nadu:** The Committee examined the case of “Sapthagiri Rehabilitation Trust, Virudhnagar, Tamil Nadu in view of peculiar facts of the case.

The Committee noted that this case was approved earlier for the year 2008-09 by the then Screening Committee, subsequent thereto, the proposal was granted approval by the then Hon’ble Minister (SJ&E) and even sanction order was issued. However, due to Lok Sabha Elections and Model Code of Conduct being enforced, the disbursal of grant could not take place. As a result, this proposal was again recommended by the State Government vide its recommendation dated 05.08.2010 recommending the case in question. The Inspection Report dated 15.06.2010 conducted by the State Government has been perused from the file.

In the factual background and on the basis of thorough and proper examination of the case, the Committee unanimously recommends the case for sanction and expediting the disbursal.

**Manipur:** 35 proposals were received from the State Government of Manipur. These proposals could not be examined/considered by the Committee in its present meeting and were deferred for consideration and decision to the next meeting due to paucity of time.
