

Minutes of the Meeting of the Screening Committee meeting held on 30th August, 2011 for scrutiny/recommending of new cases under the scheme of grant in aid to Voluntary Organizations working for Scheduled Castes.

1. The screening committee meeting was held on 30th August, 2011 under the chairmanship of Shri Sanjeev Kumar, Joint Secretary (SCD). The two non-official members of the Committee present were (i) Shri M.B. Deshmukh, Secretary, Servants of India Society and (ii) Dr. Bezwada Wilson, Convenor, Safai Karmachari Andolan.

2. At the outset, the Committee was informed about the budget allocation for 2011-12 under the scheme, notional allocation fixed for the States/UTs within the budgetary outlay, committed liability for funding existing ongoing projects, number of proposals already recommended by the Screening Committee during 2009-10 and 2010-11 but grants are yet to be released and number of proposals received during 2011-12. In this connection, the Committee was informed that as per the policy decision in the Ministry's Office Order No.1-31/2006-Cdn., dated 05.09.2008 and 23.02.2009, recommendations of the State GIA Committee for new projects would remain valid for the financial year following the year in which they were received and recommendations of the Screening Committee within the Ministry would also remain valid for one year following the year in which they are recommended. The Committee was also informed that as per the Scheme, recommendations of State/UT Grants-in-Aid Committee along with inspection reports for the current year are required each and every year for releasing of grant to any project proposal under the Scheme.

3. The committee adopted the following parameters for selection of new cases during the year 2011-12:-

- (i) Mandatory Recognition of the schools under the relevant statute.
- (ii) As per this Ministry's O.M. No.62-01/2007-cdn dated 27.09.2007, top priority to be given to the projects of schools. Priority for other projects are to be decided by the Committee.
- (iii) Computer education projects should be recognized by DOEACC/Universities/Accreditation bodies.
- (iv) School projects to be considered only where the SC rural female literacy level of the District is not more than 30% as per 2001 census, alternatively such projects in districts where SC female literacy rate is less than that of State level.
- (v) Not more than 2 similar projects are to be allowed in the same district;
- (vi) As a pre-requisite, Proposals are essentially required to be recommended by the State GIA Committee.
- (vii) The project related to control of Blindness should be considered by the Disability Division in the Ministry or Deptt. of Health, Ministry of Health & Family Welfare.

- (viii) In case of projects namely Ten Bedded/Mobile Dispensary the medical/Para medical staff engaged by the Organisation should essentially have the requisite Professional qualification and furnish attested photocopies thereof, besides NO OBJECTION CERTIFICATE to run it from competent medical authority in the State.
- (ix) Intra state priorities taken into consideration SCs population of the State concerned.
- (x) Availability of fund allocated under the scheme
- (xi) The rejected cases to be returned to the State Govt. concerned.

4. As per general guidelines for assisting Non-Governmental Organizations/Voluntary Organizations, "in order to be eligible for assistance, a voluntary organization should have been registered for a period of at least 2 years and should have been actively working in its sector for a period of 2 years. Such projects will not be taken up for assistance where the activities are proposed to commence after the project is sanctioned and funds released by the Ministry." The NGO should also fulfill other conditions required under the scheme as per checklist prescribed in this regard.

5. The Committee has taken into account the prevailing status of performance in the existing scheme and financial availability for undertaking new projects. While doing so the committee may take note of the fact that the Ministry has already been funding around 600 projects through 400 NGOs spread out in the country.

5. It is evident from the releases for the years 2007-08, 2008-09, 2009-10 and 2010-11 that some States have been receiving substantial shares of the total grant-in-aid released under the Scheme disproportionate their SC population percentage. These States are Andhra Pradesh, Assam, Delhi, Karnataka, Maharashtra, Manipur, Rajasthan & Orissa. In some States namely, Gujarat, Madhya Pradesh, Tripura & Uttaranchal, grant-in-aid share moderately exceed their SC population percentage. Other states namely Bihar, Chhattisgarh, Haryana, Jharkhand, Kerala, Punjab, Tamil Nadu, Uttar Pradesh & West Bengal receive proportionately less grant-in-aid in relation to their SC population percentage.

6. In this meeting, 38 new cases screened and 6 cases those considered in the previous meeting reviewed consequent upon submission of further clarifications/documents by the NGOs, after deliberation at length and decision thereon has been incorporated in the Annexure attached to these minutes.
