

**MINUTES OF THE MEETING OF THE SCREENING COMMITTEE HELD ON
28th February 2012 TO CONSIDER NEW PROJECT PROPOSALS UNDER THE
SCHEME OF FINANCIAL ASSISTANCE FOR PREVENTION OF
ALCOHOLISM AND SUBSTANCE (DRUGS) ABUSE AND FOR SOCIAL
DEFENCE SERVICES.**

A meeting of the Screening Committee constituted by the Ministry of Social Justice and Empowerment was held on 28th February 2012 under the Chairmanship of Shri T.R. Meena, Joint Secretary (Social Defence) to scrutinize and make recommendation on the new proposals of NGOs received through State Governments/Union Territories under the Scheme of Financial Assistance for Prevention of Alcoholism and Substance (Drugs) Abuse and for Social Defence Services. Shri M.M. Sabharwal from Helpage India, Fr. Joe Pereira from Kripa Foundation, and Shri T.V.A. Ram, Deputy Secretary (IFD) in the Ministry of Social Justice and Empowerment, members of the Committee, were present in the meeting. Shri Lalsanglur, Director (SD), and Shri Aujender Singh, Under Secretary (DP) were asked by the Committee to assist in the scrutiny during the meeting.

2. At the outset, the Committee members were briefed about the existing guideline of the Ministry (i.e. Order No.1-31/2006-Cdn dated 05.09.2008), norms and guidelines of the Scheme, budget allocation for 2011-12 under the Scheme, notional allocation fixed for the States/UTs within the budgetary outlay, number of new proposals received after the last Screening Committee held on 24th January 2012 and also those proposals which could not be considered in the meeting held on 24th January 2012 due to paucity of time.

3. Shri T.R. Meena, Joint Secretary (Social Defence) and Chairman of the committee drew the attention of the other members to the condition no (iii) under clause 3.4.2 of the Scheme of Assistance for Prevention of Alcoholism and Substance (Drugs) Abuse and for Social Defence Services. It says that **the organizations/institutions should ordinarily have existed for three years**. After deliberations in details the committee agrees that its inference in the context of the scheme is that the organization should have working experience of three years in the de-addiction sector.

4. Keeping in view the imposition of election code of conduct due to then forthcoming Legislative Assembly elections, the Committee decided to defer consideration of the new proposals of NGOs received from the States of Goa, Punjab, Manipur, Uttar Pradesh and Uttrakhand.

5. The Committee then decided to give priority to those proposals which have been received from un-served/under-served States, followed by un-served/under-served districts, in that order, subject to fulfillment of other requirements of the scheme and availability of funds. The Committee also decided to give priority to the innovative projects, projects for most vulnerable groups like children, women etc. and proposals from States where high incidence of drug abuse is reported.

6. The Committee, during examination of the proposals, observed that a large number of new proposals recommended by the State Government were incomplete in many respects and therefore, did not find it possible to recommend these proposals. The Committee decided that all such incomplete proposals should be returned to the respective State/UT Governments with the request to advise the concerned Organization to rectify these shortcomings and re-recommend for consideration of the Screening Committee in the future meeting.

7. State wise position of the new proposals placed before the Committee are given as under:
